St. Bernard Port, Harbor and Terminal District along with its employees will not be responsible for overlooking any mistakes on drawings and specifications submitted to this office for review. It is the sole responsibility of the owner/builder to meet or exceed all requirements of the St. Bernard Port, Harbor and Terminal District. Consent valid for a period of six (6) months. This Consent becomes null and void when secured by reasons of false information or latent violation not ascertainable at the time of inspection or when changes in construction or installation are made without Board approval. Separate permits must be obtained from local, state and federal agencies as required by law. The issuance of consent does not release the applicant from the conditions of any applicable subdivision or title restrictions.
